Dallas, Texas, October 14, 2013

Westie Rescue of North Texas (WRNT) today announced results of Westie Walk 2013 held Saturday, October 12, 2013, at Mary Heads Carter Park at 2320 Heads Lane, Carrollton, Texas. After deducting expenses, the event brought in over \$6,500 in net proceeds--an increase of over 100% from what was raised from Westie Walk 2012. Additionally, Westie Walk 2013 attracted a record number of participants to WRNT's annual Westie Walk fundraiser, with approximately 150 pups and approximately 250 humans.

Participants started the day having their pictures taken on the "WRNT red carpet" by professional photographer Kirstie Wixom. The Walk was led by Brandon Moreno playing the bagpipe. Other events included the Amphibian Stage Productions Parade of Rescues, the Huffines Costume Contest, and Westie Games & Races, a raffle, and a silent auction. Additionally, participants enjoyed some complimentary food and beverages including snacks provided by Mattito's, desserts provided by Cheesecake Royale, and beverages provided by Starbucks.

WRNT wants to thank our sponsors and supporters for their contributions to Westie Walk 2013. Sponsors this year included Huffines Dealerships, Amphibian Stage Productions, Dr. Cindy Motta @ USMD, Frocket, Mattito's Tex Mex, Cheesecake Royale, Starbucks, Captured in this Moment Photography, East Dallas Veterinary Clinic, Nature's Variety Instinct brand dog food, Jacki's Catering, DFW Fence Doctor, Your DJ, Christi Harris, and VitalPet.

WRNT is a 501(c)(3) nonprofit organization that exists to rescue and rehabilitate abused, abandoned, neglected, homeless, and surrendered West Highland White Terriers. WRNT is completely staffed with volunteers, and relies on donations to provide medical care and to rehabilitate the Westies in our program. In 2012, WRNT rescued and placed over 80 West Highland Terriers in their forever homes.

If you would like to show your support and help save a Westie, please contact Hoong Nan Young at fundraising@wrnt.org for more information.
